PRODUCTION OF MINES SHOWING BIG INCREASE

Five Mills of District Operating Steadily and the Bullion Output Augmented

It is evident that the present year is going to prove one of the most prosperous for the larger mining companies that has been experienced in Tonopah during the past decade. The production is being steadily increased from day to day, and it will probably be only the matter of a short time until the five big mills of the district will be jammed with ore until their capacity is taxed to the limit.

The West End Mining company is handling an average of 1700 tons weekly at its own milling plant, but the report of last week showed that the production had been increased to 2200 tons. The overflow of 500 tons was consigned largely to the MacNamara mill, where a contract was recently entered into with the management of the MacNamara Mining and Milling company for the treatment of ore. To the MacNamara plant there was consigned about 400 tons of ore, while the extra 100 tons was sent to the Deget mill at Millers.

Under the terms of the contract with the MacNamara company the West End will furnish about 2000 tons a month to the former plant. As matters now stand the production from the West End should average around 3000 tons a month, which means that the bullion output will be materially augmented, and that as a result thereof many more miners and millmen will find employment in this district.

The Tonopah Belmont Development company continues to set the pace for production, and with the advent of spring an increased output will unquestionably be in order. Ore from outside districts will be consigned to the big milling plant, while a number of local properties will no doubt be furnishing a considerable tonnage of ore.

The prospector is chafing under restraint, and is anxiously awaiting the advent of good weather that he may go forth into the hills in his search for something worth while. Owners of property at Argente feel certain they will witness that camp having a rapid growth in view of the developments that have taken place during the past few weeks on the Frances and Ecklund properties, both of which will probably be entered among the substantial producers before the summer has been very far advanced.

Hornsilver continues to remain in the limelight as a coming big producing mineral center, and the little camp is showing real life, the population now numbering about 70 people. Within the next few weeks it is predicted that scores of people will be invading that section, and in view of the fact that there are several companies financed to insure development going forward without interruption, it would seem that the future of the district is most promising.

Owners of property at Royston, the new camp 28 miles north of Tonopah, are optimistic in view of the fact that the Hudson Mining company is prosecuting shaft sinking so diligently, and the further fact that ore is being encountered at considerable depth. It is announced semi-officially that two more strongly financed companies will shortly enter the field and that large campaigns will follow.

Owners of property in the vicinity of Eden Creek, Clifford, Bellehelen, Silver Bow and Arrowhead are awaiting the disappearance of the snow and the conditioning of the roads that they may resume work upon prospects that possess great promise, and it seems to be a certainty that the summer and fall of 1922 will be history making regarding the development of mines in the various sections of Nye and Esmeralda counties.

NOTICE OF MEETING
Regular Convocation Tonopah Chapter No. 12 R. A. M. Wednesday evening, 8:00 o'clock. Work P. M. degree. By order of H. P. THOS. LINDSAY, Secretary.

SCHOOL ELECTION
Election of school trustees will be held in the Tonopah High School building on April 1st, 1922. Any citizen of the United States who has been in the state for a period of six months and in Tonopah school district 30 days will be entitled to vote. It will be necessary for all qualified voters to register with the clerk of the school board UNLESS their names appear on the registration list of voters at the last general election. The registration office will be open in Brunswick Billard Parlors between 10 o'clock a. m. and 10 o'clock p. m. from March 21st until March 25th, inclusive. L. L. MUSHETT, Clerk. Attest: JOS. C. PIERCY, President, Tonopah School District, No. 20.

MORE CANDIDATES OUT FOR SCHOOL DIRECTOR

Two more residents, both taxpayers and good citizens, have filed notice of their intention to contest for school trustee, short term, at the election to be held on Saturday, April 1. Warren Richardson, manager of the National Ice and Coal company, filed his nomination yesterday. Mr. Richardson is one of the best known men in Tonopah and, if elected, will render efficient service to the taxpayers in his official capacity. He believes in keeping the schools at a high standard and is in a position to know the needs touching upon the educational life of Tonopah. He is married and has one son who attends public school, and he has only the interests of the people at heart.

C. J. (Chick) Brown was the second to file his nomination for the office.

GUISTI PAYS FINE FOR DISTURBANCE

Fledging guilty to the charge of disturbance, following the changing of the complaint from that of assault with intent to kill, Abraham Guisti was yesterday fined \$200 by Justice of the Peace Cuddy. Guisti was arrested two weeks ago upon the charge of shooting Fred Erick through the leg, during an attempt of the former to eject Erick from the Montana saloon on lower Main street. It was plainly evident that Erick started the trouble, and Guisti was permitted to escape with a fine. The money was paid and the defendant released from further custody of the court.

PURE FOODS

Housewives that realize the value of pure foods—that take special pride in uniform and wholesome bakings, never fail to use

CALUMET BAKING POWDER

You have positive proof of the purity—contains only such ingredients as have been officially approved by the United States Pure Food Authorities.

Contains more than the ordinary leavening strength—therefore you use less. It goes farther—lasts longer. That's why it is used by more leading chefs, domestic scientists, restaurants, hotels, railroads than any other brand on earth.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

AMUSEMENTS

CORINNE GRIFFITH IN UNIQUE PICTURE

"Moral Fibre" in which Corinne Griffith appears and which will be shown at the Butler today, is an adaptation of a story by Harrison Goadby. Miss Griffith, who is steadily adding to her popularity by the various roles she portrays, ventures into a new field in "Moral Fibre."

Throughout the early scenes she appears as a girl of 15, knee skirted and sunbonneted, and with all the abandon of youth. Later, a lapse of five years, shows her as a well poised young woman, making her way alone in the world and intent on one purpose—the taking of an eye for eye and a tooth, from a married woman who, in the spirit of fun, flirted with the young girl's brother and brought misfortune upon him. A pretty little love story develops during the action of the play, which serves to teach the heroine that vengeance is not hers to take. The play is full of action throughout and calls for elaborate sets, both interior and exterior, and a variety of gowns.

Added to the program will be the latest Pathe Review, which is always an interesting film.

Tomorrow, Edith Roberts, in "Luring Lips," a charming actress in a beautiful play.

arrived in Tonopah this morning, and left for his home to resume his duties with the Round Mountain Mining company.

EDWARD KENNEDY, owner of property at Hornsilver, was over from Goldfield today looking after business matters in connection with a lease in which he is interested in at Royston. Mr. Kennedy says that Hornsilver is on the map and is going to make a lot of noise during the coming summer.

JOHN J. VIGNOLLI, who was formerly proprietor of the Cobweb Buffet, now known as the Bank, was an arrival from Ash Meadows where he has cattle roaming on a thousand hills. He was accompanied by Fred Remick, garage man at Beatty. They returned to the southern country this afternoon.
